Dr. Linda Birnbaum
Distinguished Seminar Speaker
Director of the National Institute for Environmental Health Services
and the National Toxicology Program

Dr. Birnbaum is the first woman to lead the NIEHS and NTP. She oversees federal funding for biomedical research to discover how the environment influences human health. In 2010, she was elected to the Institute of Medicine---one of the highest honors in the fields of health and medicine.

Environmental Health Science Career Paths Discussion

11 a.m. --- Duke Energy Hall, Rooms B and C, Following Dr. Birnbaum’s seminar, she will participate in an information discussion with students and post-docs focused on “Strategies for Navigating a Career in Environmental Health Services”.

Light lunch will be provided and registration is required. Please RSVP to chhe-ncstate@ncsu.edu by September 17th.
