

## Join Us for a Scientific Seminar

10x Genomics & Illumina present:

Wednesday December 4, 2019

10:00 – 12:00 p.m.

North Carolina State University  
Stephens Room (3503 Thomas Hall)

Sponsored by:

Genomics Sciences Laboratory, North Carolina State University

<https://research.ncsu.edu/gsl/>

NC State Genetics and Genomics Initiative (GGI)

<https://ggi.ncsu.edu/>

**10:00-11:00am – Nirav Patel, MS, Science & Technology Advisor,**  
10x Genomics – *“Resolving Biology with Single Cell multi-omics and  
Spatial Transcriptomics”*

**11:00-12:00pm– Matt Angel, Executive Sequencing & Data  
Analysis Specialist, Illumina – “Sequencing Considerations of Single  
Cell Analysis & Emerging Applications”**

Register at: [https://10x\\_seminar\\_ncsu\\_120419.eventbrite.com](https://10x_seminar_ncsu_120419.eventbrite.com)

\*Refreshments and coffee will be provided to registered attendees.  
Please RSVP to reserve your spot.
