

You're never more than how many miles from
Endocrine Disruption Research in North Carolina?

Come find out at the

Inaugural EDC-NC Scientific Meeting

February 23rd 2018

8:30 am to 5:00 pm

National Institute of Environmental Health Sciences
Research Triangle Park, NC

Presentations will focus on reproduction, brain & behavior, and metabolism, with a special session on GenX and other emerging contaminants in NC.

Attendance is FREE and open to all.

Registration is required.

There will be an award for the Best Poster!

Submit your registration and poster title by Feb 12th
